

What if my CFL BURNS OUT?

What if your CFL burns out? The first thing to remember is: **DON'T THROW YOUR CFL IN THE TRASH!** Your CFL contains a small amount of mercury, and should be kept out of your trash. Instead, put the CFL in a bag and take it to your local Ace Hardware or Home Depot store to be recycled.

NO!

Yes!

Yes!

Instead, put the CFL in a bag and take it to your local hazardous waste facility or a participating retail partner in your area.

Or, visit www.Earth911.org to find out other ways to recycle your bulb.

If your bulb breaks, visit www.energystar.gov/lighting to find out how to properly dispose of your bulb!
